Dugout folks,

After speaking with Priscilla about this amendment, it was determined that a copy should be sent to the AVS system folks in Lexington, KY. I've drafted an approval letter to be formalized and sent off to the Operator. I will discuss with Vicky the need for the Price office to receive 4 additional copies. It's my understanding that the PFO already has one copy, but will need 4 more to be incorporated into the other 4 MRP's.

Please let me know if you have any questions or concerns in proceeding this way.

Thanks,
Steve
